EAT LESS AND TAKE SALTS FOR KIDNEYS

Take a glass of Salts before breakfast if your Back hurts or Bladder bothers you.

The American men and women must guard constantly against Kidney trouble, because we eat too much and all our food is rich. Our blood is filled with uric acid which the kidneys strive to filter out, they weaken from overwork, become sluggish; the eliminative tissues clog and the result is kidney trouble, bladder weakness and a general decline in health.

When your kidneys feel like lumps of lead; your back hurts or the urine is cloudy, full of sediment or you are obliged to seek relief two or three times during the night; if you suffer with sick headache or dizzy, nervous spells, acid stomach, or you have rheumatism when the weather is bad, get from your pharmacist about four ounces of Jad Salts; flake a tablespoonful in a glass of water before breakfast for a few days and your kidneys will then act fine. This famous salts is made from the acid of grapes and lemon juice, combined with lithia, and has been used for generations to flush and stimulate clogged kidneys; to neutralize the acids in the urine so it no longer is a source of irritation, thus ending bladder disorders.

Jad Salts is inexpensive; cannot injure, makes a delightful effervescent lithia-water beverage, and belongs in every home, because nobody can make a mistake by having a good kidney flushing any time.

THE BEST PROOF
Alliance Citizens Cannot Doubt It
Doan's Kidney Pills were used—
They brought benefit.
The story was told to Alliance residents.

Time has strengthened the evidence.
Has proven the result lasting.
The testimony is from this locality.

The proof convincing.
Mrs. Herman Schroeder, Washington Ave., Sidney, Nebr., says: "I was in a bad way as the result of kidney trouble. I suffered from pains in the small of my back, dizzy spells, and I was unable to stoop. On a physician's advice, I put a plaster on my back, but this did not relieve me. I also tried many kidney remedies, but to no avail until I began using Doan's Kidney Pills. One box stopped the pain in my back and I continued using this medicine until the trouble disappeared."

A PERMANENT CURE
ON A LATER DATE Mrs. Schroeder said: "I willingly confirm my former endorsement of Doan's Kidney Pills. The cure they made has been permanent."
